

East Riding Bus Service News

SEPTEMBER 2019

Issue One

Welcome to the first East Riding Bus Service News. Traditionally we see a large number of bus service changes taking place in September as the new academic year commences. We wanted to bring these to your attention and we hope that you will find this information helpful to answer any questions you may receive from residents. The majority of these changes are to commercial bus services which are outside the direct control of the Council. For further information you should contact the bus company direct and their contact details can be found after the list of service changes.

These changes are scheduled to be introduced week commencing Sunday 1st September 2019.
