Accessibility Statement

This website is run by Tickton & Routh Parish Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand. [AbilityNet](#) has advice on making your device easier to use if you have a disability.

How accessible is this website?

We know some parts of this website aren't fully accessible:

- some PDF documents are not fully accessible to screen reader software

What to do if you cannot access parts of this website

If you need information on this website in a different format like accessible PDF, large print, easy read, audio recording for example, please use the details below to request:

- Email: info@ticktonandrouth.org.uk
- Call: 07563 155095

We will consider your request and get back to you in 15 working days.

Reporting accessibility problems with this website

We're always looking to improve the accessibility of this website. If you find any problems that aren't listed on this page or think we're not meeting accessibility requirements, contact the clerk:

Technical information about this website's accessibility

Tickton & Routh Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This website is currently partially compliant with the [Web Content Accessibility Guidelines version 2.1 AA standard](#), due to the noncompliance's listed below.

There may be pages with Read more / click here links. See [WCAG 2.4 Success Criterion 4.4 \(Link Purpose \(In Context\)\)](#)

There may be some pages where there are stray end tags. See [WCAG 2.1 success criterion 4.1.1 \(Parsing\)](#).

Many of our older PDFs and Word documents don't meet accessibility standards - for example, they may not be structured so they're accessible to a screen reader. See [WCAG 2.1 success criterion 4.1.2 \(name, role value\)](#).

Some images on the website pages may not have a text alternative, so the information on them isn't available to people using a screen reader. See [WCAG 2.1 success criterion 1.1.1 \(non-text content\)](#).

We plan to add text alternatives for all images by September 2020. When we publish new content, we'll make sure our use of images meets accessibility standards.

How we tested this website

This website was tested both manually and automatically prior to the writing of this statement. The tests were carried out by [Getextra](#) Web Design.
